Complete paper submission (abstract registration)

• Please press the "Submit" button at the bottom of the page to complete the paper submission or abstract registration.

Show the list of submitted papers

- After completing the paper submission (abstract registration), the list of your papers will be displayed.
- [Important] Please note that the paper manuscript has not been uploaded when "Files" section is empty.

Upload supplementary material (1/2)

- Please click "Upload Supplementary Material" on the paper list page to go to the page for uploading supplementary material.
- Supplementary material is in ZIP format and up to 50MB.

FILES		
You can upload from 0 to 1 files. Maximum file size is 50 Mb. We accept zip formats.		
	Drop files here	
	-or-	
	 Upload from Computer 	

Upload supplementary material (2/2)

- As long as the file size is the designated upper limit (i.e., 50MB), you can submit multiple files in a ZIP archive.
- Conversely, even if the supplementary material is one file, please submit it in a ZIP archive.

FILES		
You can upload from 0 to 1 files. Maximum file size is 50 Mb. We accept zip formats.		
	Drop files here	
	-or-	
	Upload from Computer	

Complete uploading supplementary material

• Please press the "Submit" button at the bottom of the page to complete uploading supplementary material.
